A message from the editor.

Welcome to your Summer edition of the Weston Turville Times.

As the days grow longer and the sunshine hopefully makes more of an appearance, we're delighted to bring you the latest updates and activities from our community.

We hosted a fantastic Easter event on April 2nd, enjoyed by so many in our community. You can read a full update and see highlights from the event on page 18.

Looking ahead, we're excited to be hosting two free summer play events. These will be a great opportunity for children to have fun, stay active, and connect with others during the holidays. Please turn to page 23 for more information and details on how to book.

We have seen some fantastic improvements to our Village Hall thanks to a grant from HS2, you can read about all the new equipment available to hirers on page 24.

As we enjoy the brighter days and warmer evenings, there's plenty to look forward to, with new activities, events, and projects taking shape across the parish. This edition celebrates all of that and more, thanks to the contributions from residents, local organisations, and businesses who help bring each issue of the Weston Turville Times to life.

Please continue to share news, photos and stories with us as these capture the spirit of Weston Turville.

Warm regards,

The Editor

Cllr Cathy Terry

The Weston Turville Times is a community magazine for the parish of Weston Turville. It is published quarterly by Weston Turville Parish Council and distributed free of charge to every house and many businesses in Weston Turville. The views expressed in articles are not necessarily the views of the editorial team or the Parish Council. We do not endorse any of the suppliers advertising in the magazine.

Contributions are welcomed subject to space and the Editor's decision on suitability. We reserve the right to edit all articles.

Dear All

We are delighted to welcome new members to our parish council Darren Willmin and Helen Jones. Many thanks to both of them for joining us and we look forward to working together.

By the time you read this we will have had our popular Easter events, many thanks to Councillor Saryo Dawkins for organising these, and we will be well into the summer. We have several things to update you on that the Parish Council has organised since our last magazine.

We now have our upgraded audio visual system in the Village Hall, so we look forward to 'Flicks in the Sticks' starting. Look out for our promotions in our next magazines and on our Facebook pages.

We also have a screen in the office window, looking outwards to show you upcoming events and information. You will be able to have a look on your way to fetch your children from school or on your walk to the recreation ground facilities and to the café.

Work to improve the play area at the recreation ground will begin on June 1st and is expected to last for approximately three weeks. During this period, parts of the playground will be temporarily unavailable. We appreciate your patience while these improvements are carried out.

We have our usual summer events for children on the recreation ground and the village hall, details in this magazine.

We are very saddened to be losing both our clerk, Sarah Copley, and our assistant clerk, Francesca Beato. We want to pay them both tribute and give them huge thanks for their great work, detailed later in the magazine. Sarah has been with us for 11 years and Francesca for over 2 years. By the time you read it they will both have left. We wish them all the best for the future.

Parish Council meetings

All local residents are welcome to attend meetings of the council to observe.

The list of meeting dates can be found on the website or noticeboards. Meetings are currently being held in the Parish Meeting room. Please see our website for agenda details or contact the Clerk.

If you would like to meet me to discuss any issues or just say hello I would be very happy to do that, please contact me via rblackmore@westonturville-pc.gov.uk or 07792 475094.

Cllr Rachel Blackmore

Chair, Weston Turville Parish Council

Thank You, Sarah Copley. A Fond Farewell from Weston Turville Parish Council

After eleven years of dedicated service, Sarah Copley stepped down from her role as Parish Clerk to the Weston Turville Parish Council on March 31st. During her time with the council, Sarah played a vital role in supporting the smooth running of parish affairs and serving the residents of Weston Turville.

As Parish Clerk, Sarah was responsible for much of the work that keeps the council functioning effectively behind the scenes. She organised council meetings, prepared agendas and minutes, managed correspondence with residents, and ensured the council met its legal and financial responsibilities. Her efficiency, organisation, and attention to detail helped the council operate smoothly year after year.

Sarah also played an important role in supporting projects that benefited the community. Working alongside councillors at Weston Turville Parish Council, Sarah helped facilitate a number of initiatives that improved local facilities for residents of Weston Turville. These included the installation of the outdoor gym, the table tennis table, and the development of the skate park, as well as improvements to the children's play equipment. She was also involved in the parish council's purchase of Barley Close Field, helping to secure valuable green space for the community.

Other projects supported during her time included the installation of the white entrance gates on the Marroway and Worlds End Lane, as well as the development of the café at the recreation ground. These are just a few of the many initiatives that Sarah oversaw during her time with the council, all of which helped enhance parish life for residents over the years.

Throughout her time with the council, Sarah was known for her professionalism, dedication, and approachable manner. Many residents appreciated her willingness to help with enquiries and her commitment to serving the community.

The Parish Council would like to extend its sincere thanks to Sarah for her hard work and dedication over the years. Her contribution to the council and to the parish has been greatly valued, and she leaves behind a strong legacy of service to the community.

Everyone at the Parish Council wishes Sarah all the very best for the future and thanks her for the important role she played in supporting the residents of Weston Turville.

Special Message from our PC Chair Rachel Blackmore:

I want to pay a huge tribute to Sarah Copley for all her great work over the past 11 years as our parish clerk. I have really appreciated her calm efficiency in running the parish council and for all the support she has given me during the last 2 years as chair. I give her many thanks, as do our current and previous councillors, chairs and vice chairs!

I am also very grateful to our assistant clerk, Francesca Beato for her great boost to our team with all her energy and expertise over the last 2 years. She brought us great skills in IT and wonderful promotion designs, flyers and banners as well as putting this magazine together and so much more. I now give her thanks too for her great tribute to Sarah. Francesca sadly is also leaving us, we are all saddened to see them both go and wish them all the best for the future .

Pop-Up Farm Shop & Café

Open on the last weekend of every month*

Our shop stocks fresh and frozen produce from the farm, including home-reared beef and lamb, honey, jams, free-range eggs and apple juice, as well as other products from local suppliers.

Tea and coffee is served with home-made cakes in our dog-friendly café.

CAWT Update: Community Climate Action (CCA)

Let's Create Sustainable Streets

Our Community Climate Action (CCA) workshop, brought to us by the inspiring team at CAWT (Climate Action Weston Turville) and shared with friends in Weston Turville, Wendover, Halton, and Stoke Mandeville, has sparked some exciting projects in our villages:

Moving better: Linking up safe, beautiful routes for walking and wheeling between our villages and sharing electric cars to get around in a greener and cleaner way

Powering up: Using energy wisely at home to stay cozy and eco-friendly. Street by street makeovers and community solar in perfect spots

Growing goodness: Cultivating food locally to enjoy fresh, healthy meals

Boosting biodiversity: Making our fields, parks, gardens, and lanes teem with life and colour: Nature-friendly projects to encourage more wild animals, birds, bees, and butterflies

These great projects aren't just good for the planet—they cut bills, reduce pollution, and make our communities brighter, greener, healthier and happier. The best part? You can all join in and share, everyone is welcome!

Gearing you up for our projects on **Wednesday 17th June** evening Climate Action Wendover (CLAW) are showing the **People's Emergency Briefing** film featuring Chris Packham in St. Mary's Church, Wendover. For more information email Rachel Blackmore (contact at end of this article)

Spotlight on Sustainable Streets

Our Retrofit Group has found an inspiring way to bring neighbours together: Sustainable Streets

Based on the award-winning 'Transition Streets' from Totnes, it's all about connecting with your neighbours, sharing tips to save money and energy, and taking action as a team. Imagine your street buzzing with friendly chats, shared skills, and new friendships—all while making a real difference for our climate and ecology.

Groups of 6 to 8 households meet across seven engaging and enjoyable sessions to dive into topics like energy, food, travel, and water. Some of the most exciting and memorable moments happen when people who might never normally meet come together to make something great. Your local area is full of lots of different people each with their own skills, aspirations and needs.

We provide everything you need—a guidebook, activities, and a facilitator for the first and last meet-ups—but the magic happens when you create your own local projects. Maybe you will share knowledge about renewables, energy saving measures or wildlife-friendly gardening.

We'll be delivering flyers throughout summer so every corner of the parish can have its very own Sustainable Street group.

Ready to Join?

If you want to be part of this exciting journey or just want to learn more, get in touch with Rachel Blackmore:

racheljblackmore@gmail.com
07792 475094

Together, we're proving that when neighbours unite, powerful change happens. Let's build a greener, healthier, happier tomorrow—one street at a time!

Our project is made possible thanks to #NationalLottery players

WESTON TURVILLE

HISTORICAL SOCIETY

I wrote in my spring newsletter that we hoped to enjoy some warm Spring weather. However, this has not been the case except for a few days. Roll on the summer. Attendance at the Historical Society's monthly meetings is strong and continues to grow. The membership has now increased to 108 and anyone wishing to join over the coming months is most welcome. Regular attendance indicates we continue to provide a diverse, engaging program of talks. The programme up to and including October 2026 is shown below and thanks to Tony Irvine, our chairman, for arranging these talks. A reminder is that during the months of July and August we have no monthly meetings.

Please look out for the postings on the EWT Facebook page where we post more details of each meeting in the week leading up to each monthly meeting.

If you wish to renew your membership or to join the society the fees are £5 for a family membership and £3 for a single membership and the meeting fee of £2 per member and £3 for non-members for the coming year. Doors open at 7:30pm and coffee/tea will be available at no additional cost.

For existing members and non-members, we can recommend that you have a look at our website, www.WTHSoc.org.uk. The site contains a great deal of information about the history of Weston Turville, copies of old postcards, links to other relevant historical sites etc. Our website has drawn praise from a number of people over the years. It has been updated to include some further material and is a great resource along with the archive which we are in the process of re-organizing.

Dates for Weston Turville Historical Society Speaker Programme 2025/2026

Date	Speaker	Title of Talk
June 26 th 2026	Glynn White	AGM & The Law & Hostelries of Weston Turville
September 25 th 2026	David Lane	The Nine Railway Stations of Aylesbury
October 30 th 2026	Tony Ferguson	Rebellion, Regicide, Graffiti & Body Snatching: A colourful history of a Bucks village church

Contact

For further information on the Society, visit www.WTHSoc.org.uk, or email: secretary@WTHSoc.org.uk. New members and visitors are welcome.

Aston Reach Ward: Celebrating Progress and Community

On Sunday 5 April, Aston Reach Ward hosted its annual Easter Egg Hunt, which was well attended by residents and featured a variety of activities and competitions. Councillor Popovici-Birkby joined in the festivities. Congratulations go to Shreyas for naming the giant Easter bunny “Oreo”, and to Gennaro, who came closest in guessing the number of eggs (167, the actual total was 168). The event’s success was made possible thanks to Weston Turville Parish Council, who kindly donated the Easter eggs, and by James Cullen, Anil Ravipati, Gary Thomson and Zubair Khan.

After months of work by the Aston Reach Residents Association (ARRA), the local playground has been officially renamed the **Aston Reach Children’s Playground**, replacing the confusing “Aston Clinton playground” name and better reflecting the community’s identity.

ARRA continues to support residents through ongoing discussions with Aldi, Starbucks and Taylor Wimpey, particularly regarding traffic concerns along De Havilland Road, Kempster Way and the A41 junction. Traffic data from MVAS is being reviewed with the Parish Council, with findings to be shared with Buckinghamshire Council. Taylor Wimpey has agreed to install bird and bat boxes, plant new trees in winter 2026/27, and carry out estate repairs. ARRA also maintains positive working relationships with FirstPort and MBS Grounds Maintenance.

Welcoming our new Aston Reach Ward Parish Councillor

We also welcome Darren Wilmin as the new Aston Reach Ward Parish Councillor, joining Chris Popovici-Birkby. Both councillors are working closely with ARRA and can be contacted with any local concerns.

Community Spirit

As the warmer months approach, residents can look forward to a summer picnic in the park, complete with friendly stalls for book and toy exchanges. In an age where screens often dominate our attention, ARRA is also encouraging residents to make this a “No Screens Day.” Residents will be encouraged to step away from phones, tablets, and televisions, and instead enjoy board games, books, conversations, and simple human connection. It’s a lovely opportunity to declutter, discover something new, and most importantly, spend time together outdoors.

These events share a common goal: to strengthen the sense of community that makes Aston Reach such a special place to live. Whether it’s through a simple name change or a shared afternoon in the park, ARRA continues to play a vital role in bringing people together. ARRA is constantly seeking volunteers with ideas for future activities.

Please get in touch if you would like to help.

Why choose Lockers Park?

Day & Boarding prep school for boys aged 4-13

Set in 23 acres of Hertfordshire parkland,
delivering outstanding education for over
150 years.

Join a community where boys achieve excellent academic results, have real enthusiasm for life and where family spirit and camaraderie thrive.

We operate a school minibus service to and from Harpenden, St. Albans and Watford. And to and from Pitstone, Tring and Berkhamsted.

We achieve excellent academic success, with boys winning scholarships each year to top senior schools including Harrow, Eton, Stowe, St Albans and Berkhamsted. Purposefully small class sizes and specialist teachers mean each boy is known and supported to reach his potential. Pupils enjoy a rich school life with daily extracurricular activities, performing arts, outdoor learning and sport.

Available for pupils from Reception to Year 8 Monday – Friday providing a safe and reliable means for pupils to travel to school.

Our innovative optional Saturday School extends classroom learning and enhances senior school preparation. With flexible boarding and wraparound care from 7.30am to 7.30pm included in the fees, we offer outstanding support for busy families.

A 30 minute train journey from Central London and Luton and Heathrow airports. We offer an accompanied train service.

EASTER EVENT UPDATE

The parish came together in fine spring spirit on April 2nd as Weston Turville Parish Council hosted an Easter event that proved to be a great success for families across the community.

There was a lively atmosphere and plenty of smiling faces, the event was exceptionally well attended, with children and parents alike taking part in a wide range of traditional Easter activities. Highlights included bulb planting, hook-a-duck and the ever-popular egg and spoon race. Young visitors also enjoyed guessing the bunny's name, estimating how many sweets were in the jar, and getting creative with

colouring activities, ensuring there was truly something for everyone.

One of the standout features of the day was the Easter trail, which encouraged children to explore and engage with the event. As a special reward, the first 140 children to complete the trail received a free Easter sweet treat, kindly distributed at The Village Retreat Cafe, adding an extra layer of excitement to the festivities.

The Parish Council extends its sincere thanks to Councillor Saryo Dawkins for organising such a memorable and well-run event. Appreciation also goes to Clive Dawkins, Sarah Copley, Francesca Beato, and the Parish Warden Will for their invaluable support on the day.

Special thanks are also due to The Village Retreat Cafe for their help in making the event such a success.

Events like these continue to highlight the strong sense of community in Weston Turville, bringing residents together and creating lasting memories for local families.

Flicks in the Sticks Coming Soon!

We are delighted to announce that the Village Hall has been kitted out with a state-of-the-art Digital Cinema System with surround sound speakers. It has been organised by the Parish Council using Section 106 funding (provided by builders for community leisure). It is available for all to use with hall hire, to book the hall please visit www.wturvillehall.weebly.com or email westonturvillehall@gmail.com.

David Blackmore is kicking off with 'Flicks in the Sticks' coming in the Autumn as a fundraiser for WTWT (Weston Turville Wells for Tanzania). We will have a win-win here, fun locally whilst raising funds for poverty relief and empowerment of some of the world's poorest people.

We will be looking for volunteers to help make this happen. Can you help? If so do get in touch with Rachel at racheljblackmore@gmail.com or 07792 475 094

David will be showing a range of films to suit all tastes, including some niche art house films that wouldn't be shown in main stream cinemas.

Our work with WTWT is focussed mainly on funding girls to secondary school and giving microfinance loans to women. Both of these projects enable people to escape poverty and have control over their lives and those of their families.

Rachel Blackmore, Coordinator of WTWT

Some of the girls WTWT are funding at Secondary School

Some of the women with loans celebrating their successes with their businesses

Hampden Fields

Hampden Fields, Aylesbury

(April 2026) Updates

Please find below updates regarding Hampden Fields. All of the updates detailed are subject to planning, and timescales may vary depending on this process.

Notes:

- Hampden Fields East, located just off the A41, is coming soon with three showhomes opening in 2026
- It is anticipated that the Southern Link Road between the A41 and A413 will open in early 2027, and will be aligned with the completion of the A41 Woodlands Roundabout, subject to planning approval
- Approval for the construction elements of the A41 roundabout improvement works was granted in February 2026. The existing roundabout will be demolished and replaced, along with the road widening of Aston Clinton Road and the formation of the new Southern Link Road. The improvement works are due to commence in April 2026 with an anticipated completion of spring 2027
- Taylor Wimpey continues positive discussions regarding the proposed medical centre, with Buckinghamshire Council also progressing plans for a new primary school in the eastern neighbourhood. This will be adjacent to the proposed local centre, which is programmed to be opened in September 2028
- Following an online consultation conducted in Autumn 2025, planning permission has been submitted to Buckinghamshire Council for the next phase of Hampden Fields West development. A further consultation for another parcel of land at the development was completed in February and March 2026, and the community feedback is currently under review. Details of the next phases of development can be viewed at www.taylorwimpey.co.uk/new-homes/aylesbury/hampden-fields-proposed-development

Weston Turville Village Hall

New Equipment Now Available at Weston Turville Hall Thanks to HS2 Grant.

Weston Turville Hall is delighted to announce a fantastic range of new equipment now available for use by hirers, made possible through a generous HS2 grant. This exciting development enhances the hall's versatility, making it an even more attractive space for community groups, clubs, and private bookings.

Among the new additions is an indoor badminton and volleyball net, perfect for recreational games, training sessions, or friendly competitions. A table tennis table has also been installed, offering another fun and accessible activity for users of all ages and abilities.

For those interested in more relaxed indoor sports, the hall now features a full set of indoor bowls equipment. This has already helped launch a thriving bowls club, which meets every Thursday from 3:15pm to 5:15pm. The club is open to newcomers and provides a welcoming environment for anyone looking to try something new or enjoy a sociable afternoon.

In addition, the hall has introduced tag rugby equipment, ideal for fitness sessions, or team-building activities. For musical and performance-based bookings, a Yamaha piano complete with a stall is now available, providing high-quality sound for rehearsals, lessons, and events.

All of this equipment is available for use by hall hirers, adding significant value to every booking. Regular users of the hall can also benefit from discounted hire rates, making it even more affordable to take advantage of these new resources.

This investment marks an exciting step forward for Weston Turville Hall, reinforcing its role as a vibrant hub for the local community. Whether for sport, music, or social gatherings, the hall is now better equipped than ever to meet a wide range of needs.

For bookings and availability please visit our website– www.wturvillehall.weebly.com or email westonturvillehall@gmail.com

Meet your new councillors

We are pleased to introduce two new parish councillors. Please join us in welcoming Cllr Darren Willmin and Cllr Helen Jones.

Cllr Darren Willmin

I've lived in Aston Reach for 3 years and work locally. I joined the Parish to help the residents have a voice and help make the right decisions locally. I want to address local concerns and ensure our Estate is a safe and welcoming area for all who live there.

You can contact Darren by emailing– **dwillmin@westonturville-pc.gov.uk**

Cllr Helen Jones

I am pleased to join the parish council team. I moved here in 2024, having lived in the locality for about 20 years. I have built a strong sense of connection to this area, most recently through volunteering with some of our local charities. I hope to support the growth of Weston Turville as a thriving and inclusive place to live.

You can contact Helen by emailing- **hjones@westonturville-pc.gov.uk**

[Weston Turville Women's Institute: Spring 2026 Update](#)

The first months of 2026 have been busy for Weston Turville Women's Institute (WTWI), which continues to thrive as part of the local community. Each monthly meeting has featured a diverse range of engaging speakers, covering topics from acupuncture to the Chiltern Society, and even included a lively hot cross bun tasting evening—where the only thing hotter than the buns was the debate over which flavour was best! Looking ahead, the group has scheduled demonstrations, craft and photography competitions and hands-on activities, with sessions planned on crafts, local history, wellbeing, and gardening. There is always something new to discover and if you are in luck there is sometimes cake instead of biscuits.

[Quiz Team Triumph](#)

This spring brought a special highlight: the WTWI quiz team emerged victorious at the North Buckinghamshire Federation Quiz, held in Winslow in March 2026. The evening was filled with friendly competition, and the team's success is a source of great pride for the group. Their achievement means they will now represent Buckinghamshire in the inter-county quiz in Hertfordshire this June. Members will be cheering them on.

[Welcoming New Members](#)

Whether you are seeking new friendships, wish to try something different, or simply want to enjoy good company, the WI offers a welcoming space for women of all ages. Alongside regular meetings, members participate in outings, social gatherings, and have opportunities to get involved in broader WI initiatives. For example, we have book and craft clubs and are soon to launch a 'grub' club where we plan to visit local cafes, food venues or meet to share food. The group also supports local causes, keeping community spirit at the heart of all its activities.

[Wanting to come along?](#)

If you are interested in joining WTWI annual membership for 2026/27 is £44. The WTWI meets on the first Wednesday of each month at 7.30pm in the meeting room of the Union Chapel in School Lane. New members are always welcome and before making a decision to join you are warmly invited to attend as a guest for a small charge of £3.50 which helps to cover refreshments and meeting expenses. For more information or to tell us you are planning to attend please contact our secretary, Carolyn via email (westonturvillewi@gmail.com).

[Summer 2026 Programme:](#)

Wednesday 3rd June 2026 - Beyond swastikas and potato peel pies: The occupation of Jersey in World War II

Wednesday 1st July 2026 – Summer Garden Party (details to be confirmed)

Wednesday 5th August 2026 – Now You See it, Now You Don't - The Story of Claydon House.

Wednesday 2nd September 2026 – Icing & Cake Decorating
Demonstration with Debbie Cattle from Cornelli.

[Date for your diary – Quiz Night in Weston Turville Village Hall on Saturday 3rd October 2026 \(details to be confirmed\).](#)

Weston Turville

QUESTION – What has over 400 members, almost 40 activity groups, meets regularly and is one of the largest organisations for retired and semi-retired people in the area?

ANSWER – Weston Turville u3a

Apart from all our groups we have a monthly general meeting at Aylesbury Rugby Club where our guest speakers make an entertaining presentation on a variety of subjects. Meetings start at 2.30 pm and the next ones are on Thursdays 28th May and 18th June to which all members and visitors are welcome.

If you are interested in any of our many and varied activities contact our Membership Secretary – email membership@wtu3a.org.uk or visit our website: www.wtu3a.org.uk

Summer Time at St. Mary's

Summer is on its way! The sunshine and longer daylight hours do all of us so much good after the dark and damp winter months.

In the summer months we look forward to cream teas at the church. The setting is so beautiful and the building is so ancient (800 years old) that it is rather like stepping back in time into an old-fashioned village event.

The cream tea team work so hard to give all who come a relaxing and peaceful time, and they make amazing cakes!

The dates this year are:

4th May (Bank Holiday Monday)

25th May (another Bank Holiday Monday)

28th June

26th July 31st August (Bank Holiday Monday)

27th September

All from 3.00p.m. to 5.00p.m.

Treasurer for St. Mary's Weston Turville

We are still looking for a new voluntary PCC treasurer to join the Treasury Team at St. Mary's. The new treasurer would be responsible for the PCC (Parish Church Council) accounts only. Trusts, fees and covenants are covered by the other two treasurers.

It is not necessary to be a qualified accountant, but experience in the field of finance would be necessary. Also, it is not necessary to be a member of the church or a church attendee.

The PCC are a small and friendly group who work together and help each other so that St. Mary's is able to continue to serve people of Weston Turville Parish.

If you are interested, we would be delighted to hear from you!

The Oak Room is still available for hire for small groups and is well appointed with a tea point and is accessible with good toilets and good heating in the winter months.

If you are interested in either of these things, please contact Rev Susan Fellows on:

01296 424982

susan.sefellows@btinternet.com

Rev. Susan

The Union Chapel – Will be accessible soon.

Much of the money we needed has been raised, and we are underway with our accessibility project. We are hugely grateful to all those who have contributed so generously. The donations do not cover all the work but are sufficient to make sure we can cover the shortfall. And contributions are still being received.

The building plans are being finalised and once approved, we will get final quotes and hope to get the work underway as quickly as possible. The actual structural work should take just over two weeks during which the toilet will be out of action. A Portaloo should cure the problem, although one of our members said, 'It has been a long time since I have had to use an outside lavvy!'

As a chapel we believe our job is to give more than to receive. It is therefore humbling to see so many from outside the usual congregation donate towards the project. Once again, thank you, and we assure you that the building will be used for the wider community as much as we possibly can.

Flo House Coffee Morning

Our last Flo House coffee morning and a contribution from our charity lunch meant we were able to give £323.

Thank you to everyone who gave cakes or came and ate them! And well done!

Hacking Warning & Charity Number

Over the last months our website has been subject to periods of sustained hacking attempts. At one point we were hit with over 2000 attempts in an hour. So far, they have not got through, but in case our security does fail, we use our email address for incoming mail only. If you get an email from the address below, it is not from us and please let us know. You can send to it in safety.

We were also asked to put our charity number onto the website so it could be checked online. We have, EW24804, but the number was raised in 1906 and is too old to be checked on the Charity Commission website. The best laid plans!

welcome@theunionchapel.co.uk Web: theunionchapel.co.uk Tel: 01296 839777

Community-funded solar savings for Weston Turville homes

Buckinghamshire's first community-owned solar project **Energise Buckinghamshire** is now open for applications, offering the benefits of solar power for up to 50 homes in Weston Turville.

The solar panels and home battery storage service is provided by **Buckinghamshire Community Energy** (BCE) and funded by community investment so there's no upfront cost, making it an affordable new option for homeowners.

Using the system, homeowners will see a reduction in energy costs with access to free energy from the solar panels, as well as cheap rate energy from the battery. There's a monthly service charge, which is set at a lower cost than the savings on normal energy bills, so homeowners will start saving money on energy from the moment systems are commissioned.

Kirsty Shanahan from BCE is encouraging homeowners to apply now, as places for the initial phase are limited, "Solar is attracting a lot of interest at the moment, particularly with fuel prices on the rise, and this community offer makes solar energy more widely accessible. We've chosen to launch Energise Buckinghamshire in Weston Turville and Haddenham initially, before rolling out further across the county."

There's also a **community share offer** for community and social impact investors living in Weston Turville, Bucks and beyond, who are able to invest from £100 upwards to £100,000, with an annual return targeting 5% on their investment.

www.buckscommunity.energy.org/energise-buckinghamshire

Solar & battery savings for homeowners, with no upfront cost.

Pearl Wheeler's Light & Airy Fatless Sponge Cake

If you're after a classic bake that's beautifully soft without any added fat, this traditional sponge is a timeless favourite. Perfect for layering with jam, cream, fresh berries or peaches, it's as versatile as it is simple.

Ingredients

- 3 large eggs
- 75g caster sugar
- 75g self-raising flour

Method

1. Preheat your oven to 180°C. Grease two 7-inch sandwich tins and lightly dust them with a mixture of flour and sugar for an even, non-stick finish.
 2. In a large mixing bowl, whisk the eggs and caster sugar together until the mixture becomes pale, thick, and mousse-like. You'll know it's ready when it leaves a visible trail as the whisk is lifted.
 3. Sift the self-raising flour over the mixture. Using a metal spoon, gently fold it in with light, careful movements to keep as much air in the batter as possible.
 4. Divide the mixture evenly between the prepared tins, smoothing the tops lightly.
 5. Bake in the preheated oven for 10-15 minutes, or until the sponges are golden and spring back when gently pressed.
 6. Allow to cool in the tins for a few minutes before turning out onto a wire rack to cool completely.
- Sandwich with your favourite jam and a dollop of whipped cream for a classic finish, or dust with icing sugar for a simple, elegant touch.

Waddesdon Hall

Just minutes from Aylesbury, Waddesdon Hall is the perfect setting for weddings, parties, community events, and more.

Built in 1897 and renovated in 2020, the hall combines period character with modern amenities:

- Capacity for up to 220 standing / 120 seated
- Raised stage for live music & speeches
- Fully licensed bar
- Side gardens, patio & woodland walk
- Convenient parking & accessible layout

Celebrate with Ease

Thoughtfully designed packages that make your special day stress-free.

Farming matters

As I write this, we are in the middle of lambing, and the calves which arrived in early March have just been weaned. The first of the year-old cattle are going out to grass, and as soon as the fences have been repaired the rest should hopefully follow. However, as we've been discussing with many of the recent visitors to our "Lambing Live" events, in farming at the moment it feels like we are awash with people trying to change how we do our jobs. The problem I have with it all, is that most of these people don't have any skin in the game. They don't have to balance the accounts or face the consequences. Every now and then however, something happens which has the astonishing effect of re-focussing priorities. An event which reminds people of the bare-essential, basic necessities of life. For many, the most recent of these events was probably the COVID-19 pandemic. The panic-buying of pasta and loo-roll in the early stages of lock-down exposed some fairly gaping holes in the just-in-time system this country relies upon for our groceries.

In late February this year, I went to the NFU Conference up in Birmingham. The first speaker of the event was an academic, and although it was clear he was not working at the coalface of food production, he spoke with a sharp mind and a dry wit, and challenged the audience to consider whether their farms would be able to supply their local area with food in the event of a systemic shock. Which got me thinking... can I honestly say that my farm would be able to keep the village of Weston Turville going if there was a serious food shortage? Probably not as we operate currently, but the farm annually produces enough milling wheat to make 800,000 loaves of bread, and finishes enough cattle to produce over 15 tonnes of beef. We could certainly host one hell of a barbeque for the village!

But the question got me thinking: rather than "just-in-time", should we work to a "just-in-case" scenario? As I'm sure every person who runs a business can appreciate, there are always questions about which direction to take. Sometimes it's an easy decision, but increasingly these days the way ahead appears foggy and the goalposts are constantly changing. I take great pride in knowing that our farm provides many in our local community with meat raised (in some cases) only metres from their homes, but we are always considering what else we could or should do to make our business more resilient while remaining in the business of food production, *just in case* it becomes a priority once again.

WIDOW TURPIN'S CHARITY WESTON TURVILLE

Charity number: 203444

Are you or do you know someone in need of help?

The Widow Turpin's Charity may be able to help you with food vouchers for the local shop, or a small grant towards the cost of equipment for work training.

The Widow Turpin's Charity is a small local run charity established in 1736 with the ability to help persons in need who reside in the Parish of Weston Turville.

With the current economic pressures there may be more people who face hardship, even in a Parish such as ours.

So, if you need help or think you know of somebody who would be glad of a little help, please approach us, or speak to the Parish Council or the church, who will be happy to pass the message on.

CONTACT US ON - 01296 613234

Life Happens - Hunger Shouldn't

Come together this summer to support local hospice care

Local residents are being warmly invited to come together, have fun and support a vital local cause as Florence Nightingale Hospice Charity launches a vibrant programme of summer events.

The events are a celebration of community spirit, with every pound raised helping to provide compassionate care for patients and their families at Florence Nightingale Hospice in Aylesbury, Butterfly House in High Wycombe, and in people's homes across Buckinghamshire and its borders.

The summer kicks off with the much-loved Midnight Walk on Saturday 20th June at Roman Park Hall, Aylesbury. Set against the backdrop of the summer solstice, this uplifting event invites participants to walk five or ten miles in celebration of life and in memory of loved ones. Friends, families and neighbours are all encouraged to take part, with the evening beginning with a calming "Solstice Unwind" session to set the tone for the walk.

Then, on Sunday 2nd August, the community will take centre stage at the Aylesbury Waterside Theatre with a special production of *Fame*. Featuring more than 100 talented local children, the show promises to be a joyful and inspiring highlight of the summer, with both matinee and evening performances available. Together, these events offer a fantastic opportunity for local people to connect, celebrate and make a real difference, supporting hospice care that touches so many lives across Buckinghamshire and its borders.

For more information about the Midnight Walk and to sign up, visit <https://fnhospice.org.uk/midnightwalk>

Tickets for *Fame* can be booked by visiting <https://atgtickets.com/>
